

# ECHO PRAYER

Use the Echo Prayer App to engage both individually and corporately with God.

Echo Prayer is a free app that helps you engage with God.

---

Download it today from the iTunes (*iPhone*) or Google Play (*Android*) Store

## ECHO HELPS YOU:

**KEEP TRACK** OF YOUR PRAYERS

---

**SHARE YOUR PRAYERS**  
WITH OTHERS

---

**FOLLOW** CHURCHES  
AND MINISTRIES' PRAYER FEEDS

---

**BE REMINDED**  
TO PRAY THROUGHOUT THE DAY

---

**HAVE SPACE TO PRAY**

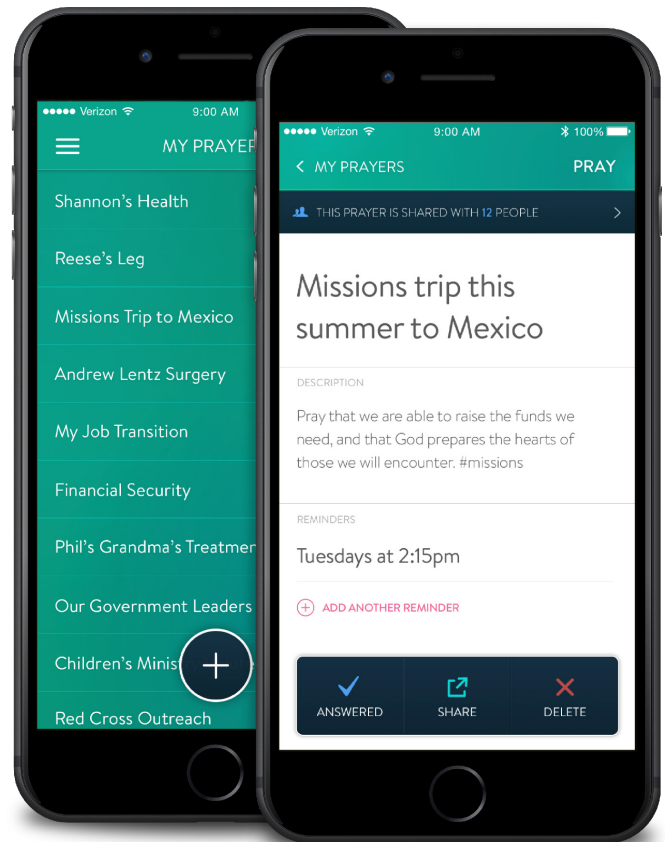

# MY PRAYERS

---

Easily add and manage your personal prayer requests.

---

Keep track of answered prayers and even organize your prayers with hashtags.

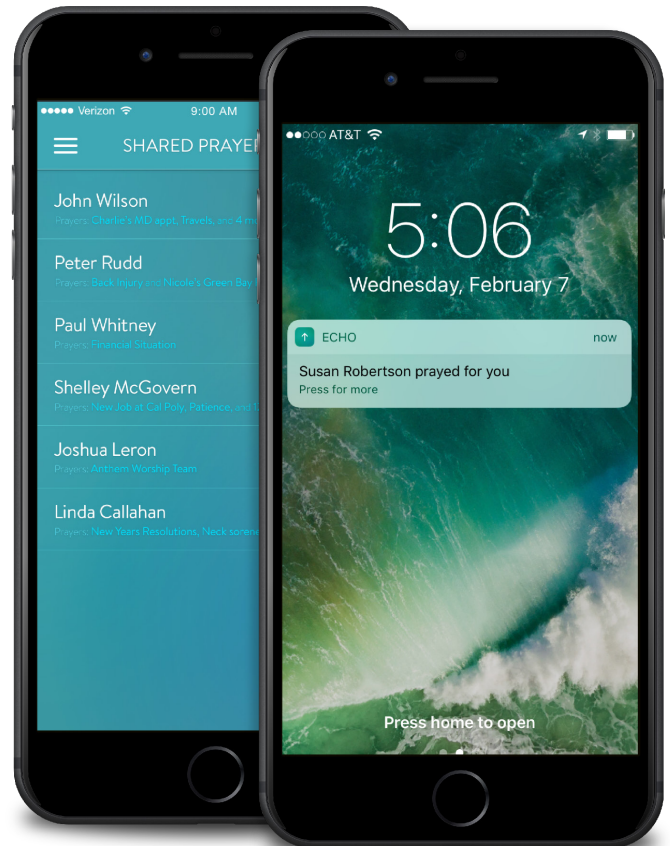

## SHARING PRAYERS

*(with individuals)*

---

You can share any prayer you create with other people.

---

Allow others to follow your prayer requests and pray for you throughout the day.

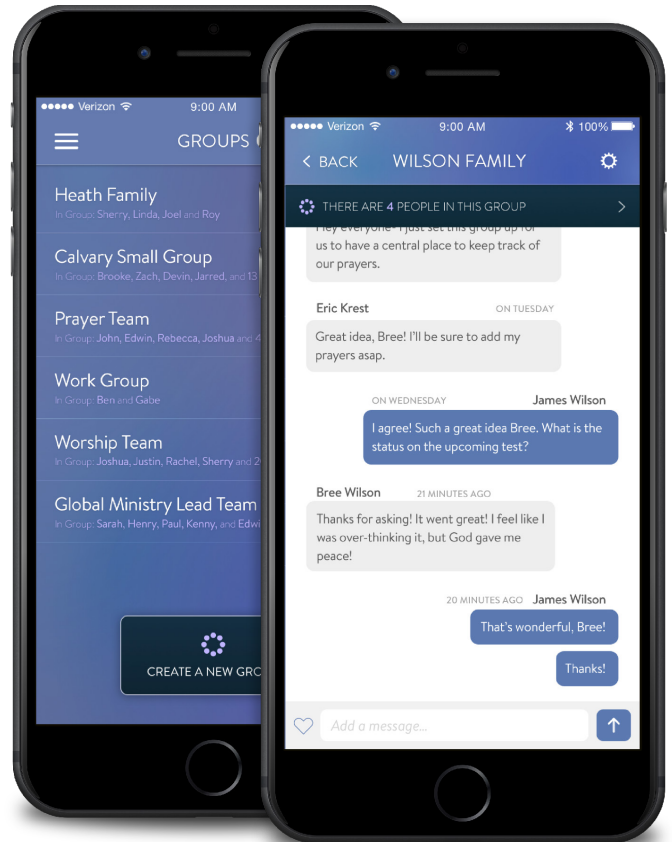

# GROUPS

---

Create prayer groups for your small group, ministry, family, friends or co-workers.

---

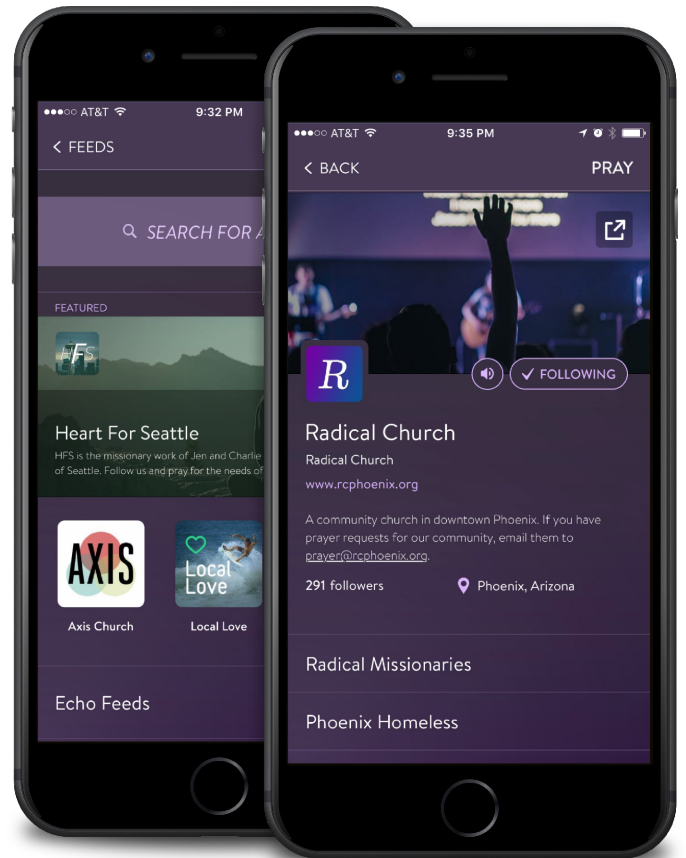

A shared list allows everyone in the group to contribute, and provides a central place for communication.

# FEEDS

*(coming soon!)*

Churches, missionaries, ministries, and organizations can publish prayer feeds that anyone can follow.

Engage communities to follow and pray for your ministry.

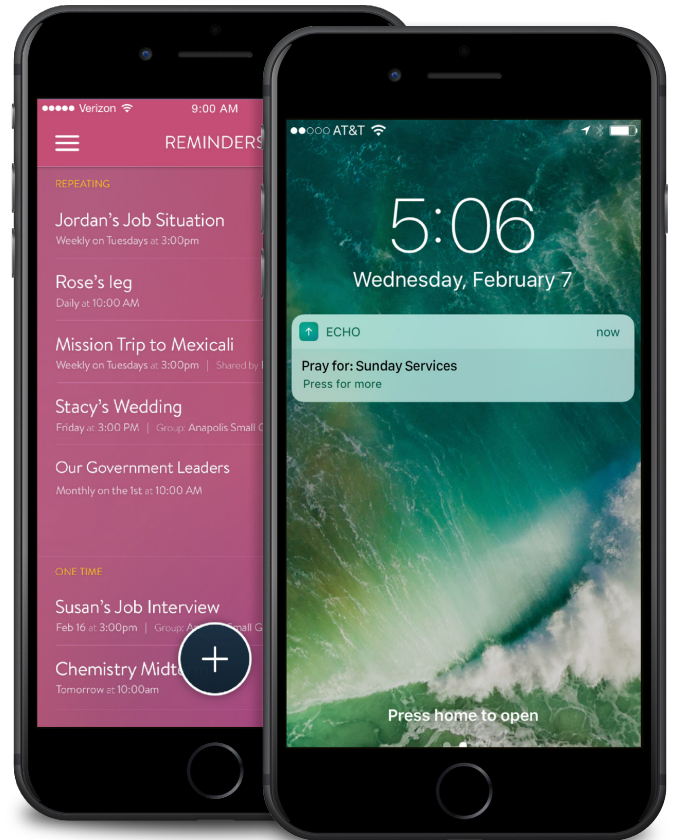

# REMINDERS

---

Set your own customizable reminders to make sure you pray throughout the day.

---

Receive in-app reminders, push notifications or emails at days and times you set.

Most importantly,  
Echo gives you  
**FOCUSED SPACE  
TO PRAY.**

Download the Echo Prayer App  
for free in **iTunes** and the  
**Google Play** store today!
